

ICT enabled e-Services & Achievements of NIC in Haryana as on 31/03/2011

Demonstrable Achievements

1. Extensive information compilation, documentation, interactions with Jury Panels & Survey Teams, organizing field visits and demonstration of e-Governance practices significantly helped Haryana to achieve/receive:
 - (a) CSI-Nihilent e-governance excellence Winner's award – 2004 for *best e-Governed State (Young Category)*,
 - (b) Telecom India Excellence Winner's Award 2007 for *Best e-governed State in e-Governance at International Conference*.
 - (c) 4th Rank in Dataquest-IDC e-Governance Survey 2008 for "*best e-Governed State of India*",
 - (d) India today's *Bharat Nirman e-Governance Award 2009* on 14/9/09,
 - (e) 25+ *State / National awards/accolades/ Commendation Certificates*,
2. NIC-Haryana supported in preparation of Haryana state IT Policy, its revisions and also, evaluated 80 project proposals for establishment of IT/Cyber Parks in the state of Haryana. The execution of the approved projects of IT/Cyber parks by concerned agencies, has helped Haryana in achieving continuing significant increase in software exports on yearly basis and getting huge investments in the state of Haryana.
